(a) Locations are from the ABS 'State Suburb Classification', which may vary from local perceptions of location boundaries. For example, a person who identifies as living in 'Apollo Bay' may in fact be counted by the ABS as 'North Bruny Remainder'

(b) Locality figures not shown where numbers are very small

(c) Some aggregated median data not available

(d) Labour Force data excludes persons less than 15 years old. Address change excludes persons less than 5 years old.

(e) Information about industry/occupation was not recorded for all people recorded as in the labour force
